

Compass sport Cup Start Times

Here are the start times for the Compass Sport Cup. Note that a few people have changed classes from the previous list as I've reread the rules! These are the times I asked for, rather than the official final start times. Please check the final details on the OD web pages to make sure there are no surprises.

Please can any Harlequin who has an EMIT card, and who hasn't done so already get in touch with me, preferably by email (richard.dearden@gmail.com) and let me know the card number. The procedure at the event is that I will have all rented EMIT cards, and will distribute them to the club. I will be there from 10am, and am one of the last runners for the club, so I should be around while everyone else is getting ready to start. Cost is £6/£3 less £1 if you have your own EMIT. I'll collect this on the day.

Thanks, and see you all on Sunday.

Richard.
