

Christmas Competition

This competition opens today and runs until 03/01/2016

There are 13 map extracts hanging on the Christmas tree. Up to 4 extracts may be from the same map.

Each extract is part of a HOC orienteering map.

You may enter Part A, Part B or both A & B.

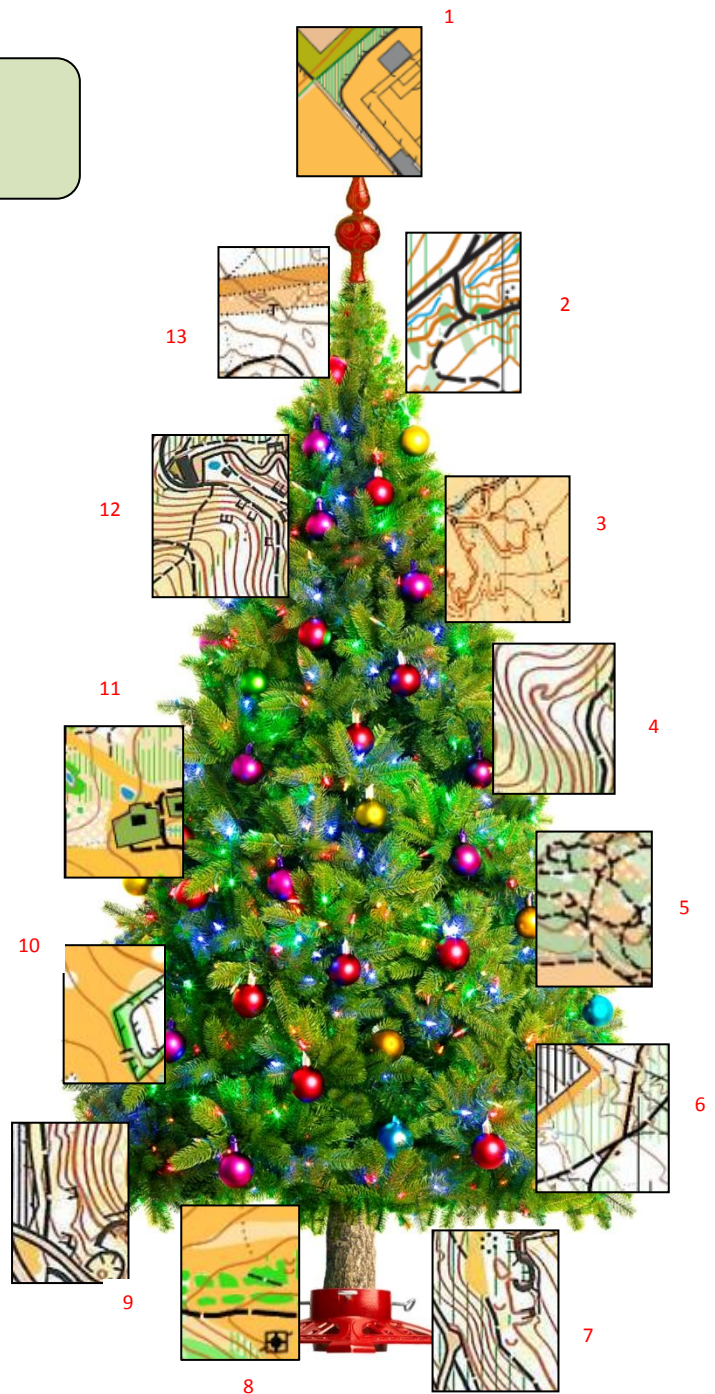

Part A

1. Which maps are each of these 13 extracts from?
2. Send your answers 1 – 13 to cpnredditch@blueyonder.co.uk before 03/ 01/2016

Part B

1. 4 of these extracts are from the same map. When you know which map mark these points onto a copy of it.
2. These 4 locations are now 4 "controls".
3. Select any one of these controls to be your START and FINISH.
4. Time yourself running around the controls, making sure you finish at the control where you started.
5. The 4 control sites are marked with a small piece of red / white tape.
6. Email your NAME, AGE, DATE of RUN & RUNNING TIME to cpnredditch@blueyonder.co.uk before 03/ 01/2016.

PRIZE? I'll think of something between now and the CD.

All controls		13 controls
