This list is intended to help you to prepare your "O Diary" for the coming weeks. Be warned though! - it is a long-term list, and some items may well be subject to change, so please do not travel to any of the events listed without checking first. The best place to check is the Club's website www.harlequins.org.uk where full information will be available.

Sun Oct 29th 2017

(C) West Midlands Relays at Hartlebury Common (Near Stourport-on-Severn)

For the Region's annual Relay Championships, Hartlebury Common is a delightful venue. It is described as lowland heath and has complex patterns of gorse and natural woodland. Past activities such as sand and gravel extraction have resulted in intricate contour features to delight the orienteer, and its popularity with dog walkers has given rise to an extensive path network.

(C) Dudmaston (Near Bridgnorth) – West Midlands League

Generally undulating National Trust woodland, with a mixture of coniferous plantation and natural tree cover. A chain of lakes adds to the scenic attraction. Full range of WML courses up to Brown.

We return to Worcester again, but this time to the wooded area on the western edge of the city, along with its adjoining meadows . and hopefully the intricacies of County Hall as an added attraction!

Thurs Dec 7th 2017

(D) Baggeridge Country Park (Near Sedgley) - WEE

This is ideally suited for hosting a Winter Evening Event. A variety of wooded and open areas on the landscaped site of a former colliery, with lakes and plenty of paths.

Sun Dec 10th 2017

(C) Castle Vale (East Birmingham) – Urban Event

This event will form part of the UK and West Midlands Urban Leagues. Castle Vale is a complex modern housing development on the site of a former airfield. It offers plenty of navigational challenges to delight and challenge the urban orienteer.

We shall continue adding to our programme of Winter Evening Events (WEEs) and Night Street Events (NSLs) which have proved popular for those who enjoy orienteering after dark. Keep an eye on the website and look out for further details.
