

Harvester Relay Team Details

Dear all,

sorry for the delay in sending this out. Unfortunately, SinS rather took up my time over the last few weeks.

The list below shows the Harlequins who have indicated they want to run at the Harvester relays next weekend. I have entered us for one A team and two B teams, one of which I expect to be a women's team. If you are on this list, but no longer want to run, or if you aren't on it but do want a run, please get in touch with me immediately (richardd@gmail.com / 0121 471 2615). Those of you with question marks after your name, please get in touch and let me know either way.

George Chambers is currently looking into the possibility of getting a mini-bus for the trip down, but as yet I don't know what the answer will be. I'll post a message once I hear about this. If we don't get one, I'm happy to coordinate carpooling as well. I have arranged camping sites at the event centre.

The list doesn't specify teams or legs yet. If you have any preferences about legs, please let me know that as well.
