" Initially the elements did their best to dissuade people from leaving the sanctuary of home, but when they saw the resolve of our orienteers they acquiesced and conditions improved. (in other words the rain packed in and the gales eased up). Well done to our planner, Allan McKinley, who was faced with a number of constraints due to erosion control measures and requests from the owners, (hence the large OOB areas) but he managed to lay on a very good course in a fairly small and fast area. It is a quite deceiving area in parts and a number of people had problems, but it proved to be no obstacle to several who managed to clear it, well done to them and special congratulations to Chris Embrey M18!!, beating Chris McSweeney into second place. Rachel White W21 ungallantly beat Alison Sloman W70 by less than two minutes to take first position, In the league, the Ladies competition is becoming very exciting, three points between the first three, with Alison taking the lead. Can she win this year as well? Chris Mc Sweeney is about to become a dad, might this affect his performance on the last two events, can he be toppled from the top spot? Come along and see for yourselves. Thanks to all who came. inspite of the terrible weather earlier. it was our best turn out to date."
