Separate control descriptions.

Entries

Entries on the day.

Please reserve a map in advance if possible using this [Map reservation form](#). Spare maps will be available on the night for anyone who makes a last minute decision to enter.

Registration 18:00-18:45. Main mass start at 19:00. Newcomer start at 19:05.

The variety of urban terrain means that some parts of the course are ideal for newcomers, as well as the more experienced orienteer. The course is also wheelchair friendly. Newcomers who would like to view the map and ask questions before starting can do so after the main mass start. Some tips will be available to help identify route choices that may offer the most rewarding 'first-time' experience. Newcomers starting later will still be able to run for the full 60 minutes.

Course

60 minute score event. Visit as many controls as you choose, in any order. All Controls score 10 points. Total of 21 controls (210points). Penalties of 1 point per 6 seconds over the 60 minute limit. Straight line distance to visit all controls is 6.8 km (approx. 10 km minimum running distance). Course closes at 20:20, Hub 21:00.

A variety of control clues to be collected, (treasure hunt style) – numbers – letters – how many objects etc. Write answers on your clue sheet.

Fees

Seniors £4, Juniors £1 (under 16s must be accompanied by a responsible adult).
Newcomers may participate in pairs if desired (fee is charged per map).

Facilities

A large hall within the Lyppards Hub has been hired for the occasion; there are toilet facilities. Please keep mud outside the Hub. There is more than adequate car parking. In the shopping area there is a fish and chip shop, Chinese takeaway and nearby the Lyppard Grange pub that serves bar food (sizzlingpubs.co.uk), open until 11:30.

Safety

Competitors take part at their own risk. Whistles must be carried. Hi-visibility clothing and head and/or body torches should be used. Almost all paths are lit, but there are several unlit lanes that will be used. Be aware of any steps and cycle path gates that you may come across. Under -16s must be accompanied by a responsible adult.

Some fast flowing roads will need to be crossed; where there are pedestrian crossings please use them.
