

Night Street League

Jewellery Quarter and Central Birmingham

Thursday March 7th 2019

Venue: St Pauls House Hotel, St Pauls Sq, Birmingham, B3 1QU
Assembly will be in the annexe to the rear, accessed via the side archway.
Please be discreet if getting changed at the event.
Times: Mass start 19.00, 19.05 for beginners.

Directions:

Road: due to the ongoing rebuilding in Birmingham and consequent road closures you are advised to use satnav or AA Routemaster directions. Park in nearby streets, usually no parking charge from 18.00. **Do NOT park in the hotel car park.**

Train: See map below

Map: 1:7500 A4. Produced from Open Orienteering Map . not waterproof. Control features will be typical for a HOC night street league; revealed on the night. Due to ongoing building work, the map might not always reflect reality ;-)

Organisation: This is a bare-bones HOC night street event typically catering for 20-30 runners and facilities will reflect that. Competitors will write down information at controls . **SI punching for start/finish timing.** Hire Si cards available for those who do not own one.

Course: 60 minute score. Penalty applies for late finishers at the rate of 10 points per minute (1 point each 6 seconds) over time. 7.7km straight line optimal route.

Safety: all dual carriageways are OOB and must only be crossed at marked crossing points (subways, bridges, pedestrian crossings) or by using the canal towpath.

Bring: £4 entry fee, SI card if you have one, torch / headlight , Trainers / road shoes. Pen/pencil
Please wear an item of light/reflective clothing for your own safety.

Terrain: Typical city centre with some Victorian light industry and the odd canal (optional).

EVO: St Pauls House has a good bar and reasonably priced menu.
