Planner Barry HOUGHTON 25

Turned out alright on the night, despite the best efforts of the lumberjacks! We even managed to get a good weather window and I think the cafe served us well. (They are happy for us to use the facilities again should we wish to) .

I started planning early with this one and all was done and dusted after Christmas, until.....!!! No one thought to let us know about the major tree thinning operations that started just a few days before the event. Luckily I decided to have a quick walk round on the Friday before the event. Alison had mapped lots of holly trees which then provided good control features in an otherwise featureless area. The holly trees were generally left but the destruction all around annihilated the minor paths leaving them unusable. They also destroyed the woodland around the start and finish, but I found most of the paths still useable there except for the one I put the first control at. Makes life interesting though.

I tried to plan the event so that it should be possible for some to clear all the controls and both Alex and David managed it. There were a few other high scorers as well, including Andy H, Richard and Peter, who went to a few different controls, plus Mandy who did an heroic climb from 11 up to 16, I did not even try that path. Well done all.

Congratulations to Alex and Mandy winning the respective Mens and Ladies WEE League titles. David was knocked off the top spot into second place, with Andy Hemsted third and on the ladies Alison was second and Jenny third. Mention must be made of Kieran who kept his father sort of on track to come first "Accompanied Junior".

Many thanks to the brave band of collectors Peter, Richard, Alex, Seb and Robert.

Hope you all enjoyed it thanks for coming along and see you all next season. Barry Houghton.
