	4	Paul Turner	00:58
	5	Greg Best	00:59

Ledbury managed to avoid the rather nasty weather experienced elsewhere in the country, so we managed to have a dry, ice free run.

The courses were designed to maximise the use of Ledbury's useful pedestrian paths and aimed to utilise the quieter areas of the town, avoiding the more heavily trafficked areas resulting in some impressively speedy times.

The use of the Theatre foyer worked well - entertained by the sounds of the rehearsal of the forthcoming pantomime.
