Thank you all for coming and making my little event worthwhile. The evening went well without any disasters and you all behaved and would be welcome back to Full Supply HQ next year again.

I enjoyed updating the map and I will continue to do so.

A very warm welcome to Ian Pickering, a new HOC member moving north from TVOC land.

Also nice to see Samantha, still an Independent runner but maybe soon a HOC member? That is Captain Kerstins Christmas wish :)

Apologies to Barry Houghton who could not read the print, but all was well in the end.

I hope to see most of you at our Club Champs on Saturday 8 December.
