Emma, Richard and Sammy	50	72.49	1000	-129	921

I often feel that it is a shame when a certain wonderful W75 goes out on a cold wet night, gets 50, but is 8 minutes late and ends up with a negative total, less than if she'd stayed in the car! (Not that it worries her, of course, as she enjoys the adventure...) However, with an **Andy Bonus of 1000** for everyone who ventured out and up the hill, everyone ends up **positive**. As a bonus, even Jason couldn't get twice as many points as Penny and Jenny!

I thought that the course wouldn't be cleared within the hour, but Jason proved me wrong, judging his run perfectly to come back with one second to spare. I blame the park management ... sometime in the last three weeks they had mown the bracken just above control 8 ....

Thanks to those who helped; all controls were collected in by 8.30, and soon after I was enjoying the warmth, company and food at The Vine.
