

Website Disclaimer

Copyright Unless otherwise stated, the material published within the HOC Website is copyright to Harlequins Orienteering Club (HOC). No part may be reproduced, in whole or in part, without the specific written permission of HOC. If you believe we have included material over which you or others hold copyright - please let us know so that we can remove it, attribute copyright or obtain permission as appropriate.

Disclaimer of Liability The HOC site is maintained by the current Web Content Manager, although much of the content was generated by the previous incumbent(s). Unless specifically stated otherwise, any information provided or views expressed do not necessarily represent the official, approved position, view or policy of Harlequins Orienteering Club.

While every effort will be made to ensure that the information contained within the HOC website is accurate and up to date, Harlequins Orienteering Club makes no warranty, representation or undertaking whether expressed or implied, nor does it assume any legal liability, whether direct or indirect, or responsibility for the accuracy, completeness, or usefulness of any information.

Harlequins Orienteering Club accepts no liability whether direct or indirect for any loss or damage suffered arising from any reliance, direct or indirect, on any information stored on the HOC Website.

Disclaimer of Other Sites Hypertext links to sites outside of the HOC Website are provided as a convenience to users. Harlequins Orienteering Club is not responsible for the contents of any information provided by outside sites through these links.

Harlequins Orienteering Club makes no warranty, representation or undertaking whether expressed or implied nor does it assume any legal responsibility for the accuracy, completeness of usefulness of the information in the hypertext links.

Harlequins Orienteering Club accepts no liability whether direct or indirect for any loss or damage a person suffers because that person had directly or indirectly relied on any information stored in the hypertext links.
