What? Four orienteering routes to choose from; orienteering is a fun sport that combines running with navigating – finding your way with a map. It's a great way of exploring your local parks and staying fit. Recommended routes as follows:

Route	School years	Approx Distance	Technical Difficulty
White	3-5	1.8 km	Easy – path based
Yellow	6,7	2.0 km	Slightly harder – path based
Orange	8 -9	2.8 km	Harder – off path
Red	10+	3.3 km	Harder – off path

(Children may run shorter or longer routes than suggested above, according to ability)
Help is available for beginners. Adults wanting a longer course can do Red + Yellow courses

Entries : Entry on the day

Children: £2 per child. Adults may also go round with their children but should try to let the children do the navigating!

Adults: £5 per person You can do any of the above courses.

Accessibility: There are good paths throughout the park, but the grass may be very soggy. White and yellow courses can be completed on the paths. Not suitable for wheelchairs.

Safety: You are responsible for your own safety. It is recommended that you have a whistle. You can borrow a compass and whistle if necessary. A First Aid kit will be available.

Equipment: Many of the paths are wet or muddy. Participants should wear boots or bring a change of shoes and socks. Suitable clothing must be worn. A compass is useful (especially for the Orange and Red courses that go off the footpaths) but not vital, These can be borrowed.

Race timing uses SI cards – these can also be borrowed for the event.

Facilities: Unfortunately, there are no toilets available in the park.

Schools League: Children earn points from each race. The league will be updated after each race and current standings posted on our website. [City of Birmingham Orienteering – Harlequins Orienteering Club](#) The prize giving will take place after the last race, in June. Schools do not have to send a team to every race.
