

BAGGERIDGE SMILE/LOCAL EVENT 12th June 2004

I hope you all enjoyed Rollo's courses as much as I did. This was a low-key event on an interesting area, offering a run on a comparatively empty weekend and chance for competitors in a regular Saturday morning series to try a mainstream Orienteering event. A number of people ventured onto the Light Green for the first time - hence the lack of competitors on the Orange. Father's day came a week early in the Embrey & Hartmann households - were the juniors saving themselves for the relays the following day?

Many thanks to all the helpers, both regular "Smile" people and the HOC start team, for making it a friendly & relaxed morning. Details of the Smile program for next season will be e-mailed to the Smile e-mail tree and posted on the Harlequins web site when it has been agreed.
