

**Results of Night Street League – Event 4
Tuesday 3rd January 2006**

Kidderminster

Many thanks to the record number of willing competitors in the Kiddie Night Street event. The course took you past some of my favourite haunts (obviously), including the football ground, the off-licence and the chip shop – which reminds me, I must do something about my lifestyle! The weather was kind for January and everyone appeared to enjoy the experience.
