Planner and Organizer Andy Hemsted 10pts

Andy extended the unique 5 colour street map and also included a section at a large scale on a separate map of the area below Spaghetti Junction!

His efforts were rewarded by a good turn out, with an unusually large numbers running the Long. John Embrey proved that he can still out run son and West Midland Night Champion, Chris. As usual there was an exciting competition on the Medium, with Robert Vickers just edging out Russ and Peter. Jacky made it a double win for the Embrey's on the short course. Thanks to Andy for his efforts in producing a good new map and for running an armchair coaching session afterwards, and to Penny for letting us use her kichen and providing snacks and drinks.
