**Spennells 19 Mar 2015**  
**Results**

Thanks to everyone who came and thanks for the positive comments about the area and the event.

**SHORT**

I did make a mistake in placing the penultimate control near the wrong road junction about 50m out. I do not think it affected the results and obviously no penalty.

- 1 Ian Milsom IND 34'40
- 2 Ashley Ford HOC 48'00
- 3 Marian White HOC 51'19
- 4 Barbara Ford HOC 62'50
- 5 Jenny Uff HOC 81'30

**MEDIUM**

Despite my trying to explain a "Russ" event the message was not fully understood. One consequence of this event is that you do not know how close to finishing you are until you have visited the final control as you do not know which of the unvisited controls is the final control. I have used the Night Street rules to apply a 3 minute penalty for missed controls.

- 1 Adam Jackson HOC 0 penalties 52'35
- 2 Adrian Pickles WRE " 59'03
- 3 Adrian Bailey HOC " 59'58
- 4 Andy White HOC " 63'10
- 5 Mike Hampton OD " 64'40
- 7 Robert Vickers HOC 3 mins 80'14
- 8 Kerstin Mitchell HOC 9 mins 82'00
- 9 Barry McGowan HOC 9 mins 82'40

**LONG**

John seems to have done a sort of score event and therefore not visited the controls in the correct order.

- 1 Peter Langmaid HOC 0 penalties 103'21
- 2 John Leeson HOC 9 mins 119'24
