In total 18 runners / pairs took part in 2024's final event around the festively decorated streets, parks, nature reserves and canals of King's Norton. Clearing every control would have necessitated a well-navigated 17km run in under an hour, as such all participants had to choose where to visit. A combination of natural and man-made boundaries meant some apparently close controls were actually quite distant.

Ben Crone was our overall winner and remains unbeaten this season followed closely by Rich Price. Eloise came in third, and is similarly yet to be beaten in the women's category. We had one first-timer join us, James put in a very strong debut performance - we hope this will be the first of many!

A huge well-done to all participants and I hope you enjoyed the course. I chose the location as I thought it had a good variety of areas to visit and navigate, I couldn't see that it had been used in recent years. I look forward to competing again myself in Worcester come January.

Richard.
