Organiser comments

We had 25 runners / pairs take part in what was my first attempt at organising an event. The area was a real gift for a first timer with the myriad of roads and paths providing plenty of control opportunities. The centre of the map and particularly control 26 seemed to catch many out - there were a lot of unmapped paths which was not helpful and the warren-like roads made relocation tricky.

Congratulations to Ben for maintaining his 100% record this season even if he was just one short of clearing the course! Congratulations to Rose for her win in the women's category too. Full results available [here](#).

I hope you all enjoyed it and please do let me know if you have any further feedback!
