

Harlequins Orienteering Club invites you to

Get SMApping in Wolverhampton (West)

on Thursday 19 November 2026

Venue	Registration & afterwards at The Chestnut Tree, Castlecroft Road WV3 8BT
Public transport	Bus number 3 takes 12 minutes to/from the city centre
Parking	Parking at the pub and on Coppice Road/Meadow Road
Start times	Registration from 5.30 pm, starts from 5.30 to 7 pm. Course close at 8.15 pm.
Event details	This is a 'score' event (effectively a treasure hunt) to find as many checkpoints as possible in 60 minutes. You will be given a 1:10,000 scale map showing the location of the checkpoints. Try to find as many as possible in 60 minutes, and in any order you want.
Team event	As well as running individually, you can enter as a team of three people, running together or separately. The winning team will be decided by combined score.
Scoring system	The scoring is carried out by your phone using the free MapRun App (from the iStore or Android Play Store) which will bleep each time you find a control. You score 10 points for each control found but lose 10 points for each minute or part that you go over 60 minutes.
Area conditions	A mix of urban street types
How to enter	To make sure that there's a map waiting for you, register & pay online at: Fabian4 - Entries and Timing
Entry costs	Club and BOF members £6/ £8 non-members. Member/non-member juniors £3/ £4. Juniors must be accompanied by an adult.
Afterwards	We've booked tables in the pub for you to eat and drink. Menu and ordering info at https://www.sizzlingpubs.co.uk/findapub/eastandwestmidlands/thechestnuttreefinchfield#/
Officials	Planner: Adrian Bailey 07505 381666 SMApp coordinator: John Leeson- 07756 103886
Safety	You will need hi-vis clothing & torch/headtorch. There is good street and path lighting in most parts but not on path in parks. A risk assessment has been completed but runners are responsible for their own decisions and safety. Juniors (16-) must be accompanied by an adult.

What is SMApping? *Do I get a result* *More info-*	*SMApping is a fun event using a street map, which you're given at the start, and an App on your phone to record your run or walk. You use the map to find control/checkpoints and your phone does the rest.* *At the end of your run, you will be able to see your score and that of other runners, as well as the route you took, which can be loaded direct into Strava.* *You can run on your own, or with a partner, or you can walk with a dog- it's up to you.* *Visit- Harlequins.org.uk/SMApp*
