

HABBERLEY VALLEY SEE

26th April 2005

FINAL RESULTS

Organiser: Russ Fauset

On checking control cards the following discrepancies were found:

Brian Hughes 6 extra controls
Mike Dugmore 4 extra controls but did give a good explanation for two extra
Barry McGowan missing 8 controls with 3 extra controls
Alison Sloman missing 4 controls
Andy White missing 1 control
Neil Williamson missing 1 control.

I do not like disqualifying at SEEs.

A fair penalty of 5 mins per missed control seems appropriate. I do not normally give penalties for extra controls as time was lost finding the extra controls but, as the area is so small, extra controls can be picked up with little time lost. I think a penalty of 2 mins per extra control seems right.

Brian 12 mins extra = 53.43

Mike 4 mins = 75.30

Barry 46 mins = 87.19

Alison 20 mins = 82.05

Andy 5 mins = 57.32

Neil 0 mins because he can claim 5 min extra as he went out before the Rocky III part one master map was corrected.

The revised results are as in the table below...I have probably developed some animosity with these new positions but they can always appeal to the co-ordinator.
