

Pitcher Oak Woods SEE

Wednesday 11th May 2005

Thanks to the 24 keen orienteers who turned up all seemed to have had a good time, most opting to train without the use of a compass for a bonus of 5min (some wished they hadn't!).

Top marks to the keen orienteer who took the train from Malvern cycled from Bromsgrove to Redditch ran the event optimistically turning up to run in shorts! Then cycled back to Bromsgrove to catch the train back to Hereford!

See you all at Kinver next Tuesday.
