

I hope you enjoyed the map memory on the longer courses - one or two people were rather shocked to have their maps removed halfway through (you must read the details!). Malvern Common is a bit limited, and the map needs updating, so something a bit different was required (but not more Sudoku). Sorry if one or two controls were a bit low – I thought they might get pinched if too obvious. The weather was kind, fine and cool and it was a pleasure to put the event on – thanks for coming.

We also had a piece of lost property - a Silva compass with a bubble in it. It will be sent on to Baggeridge and the next SEE if needs be.
