

The June Jaunter - 20th June 2006 - Results

Organiser: Robert Vickers

You'd have thought they would have learnt by now. This is not the first time the people who set the football programme have managed to clash with the June Jaunter. Ah well, enough of you got your priorities right and faced up to the annual bash on the Clent Hills. It was a rather damp and breezy evening, but not bad conditions once you got warmed up.

Congratulations to the winner, David Williams, finishing in 24.56. Well done also to Jackson McCann and Ruth Lockley, both making their Jaunter debuts.
