Oh dear! No food, no drink, no sprint "O" and a dodgy timing system as I forgot my digital watch. (If anyone finds their time is wrong let me know.) However the weather was gorgeous for Tessa to celebrate her 21st birthday. The Robert's dog decided a rapid run with Alex was preferable to a sedate walk with Rick and Sue so Alex was rather held up. Many thanks to Richard, Tessa, Vikki. Peter and Barry H for helping to collect controls and to Barry for finding the late finishers on the green. We all just avoided being locked in.
