

Old Hills SEE Results – June 12th

Thanks to all those who turned out for this event. At least the weather was kind, even if parts of Old Hills was still very wet. It is difficult to make the courses technically difficult as the choice is between very fast, runnable open terrain or impenetrable jungle in the wooded area. Having visited the area a month before it is amazing the extent to which the bracken etc had grown in the intervening period. Thanks to Dot for doing the time keeping (and cooking the Welsh cakes) and Tom and Judith for offering to collect in some controls. I collected in the remaining controls and hit each one exactly (something I rarely do when someone else has hung them out). You might think that I should be able to find them exactly, as I put them out in the first place, but us over 60's don't have the memory that we once had – in fact I don't even recall putting them out.

17	Kerstin Mitchell	18:24:00	19:52:03	01:38:03

Dnf: Jeff Hancock – missing control 8 onwards

Mike F was penalised 5 minutes for a missing control 3, despite a reassurance that he had been to the right location but failed to observe the control hanging in the tree

Kerstin and Steve were both penalised 10 minutes for a wrong control 4

The Yellow course was ad hoc – sketched on a blank map on the spur of the moment as and when requested.

Janet Isherwood and Peter went round in 36 minutes wiping out completely all trace of any opposition.
