Sorry about the height and density of the bracken but I did try to plan around it. Thanks for turning up and making my efforts worthwhile -in fact most of you appeared to find the courses enjoyable. Thanks also to Mike and Peter for helping to collect in the controls.

I am now away for a few weeks and as nobody has come forward to process the results and compile the league table I regret that the final league scores and winners will not be calculated until the end of August.
