Organiser Comments

Thanks for the good turnout and for the many nice comments after your run. Whilst planning I discarded potential control sites if I found the approach very unpleasant to run through in shorts !

Congratulations to Charlie on winning by over 8 minutes on the Green and to Dave for beating Richard on the Blue by a mere 7 seconds. For once there were no vandalised or stolen controls and I was back home by 9.30 pm thanks to the help of Mike, Russ and Peter in collecting up controls.
