Comments from Organiser

I had planned for 30 – 40 competitors to turn up for this event but unfortunately 3 days of competing at SINS over the Bank Holiday Weekend, the Half Term Holiday, and 3 days of persistent rain leading up to the event resulted in a low turnout of competitors. Thankfully the rain did not return after 5.15 and most people seemed to enjoy their courses. Congratulations to the Little family for successfully completing their courses (we hope they will come again to a HOC event) and to Lewis, Edie and Caitlin for getting around their 2 km courses – Peppa Pig would have loved those many ‘Muddy Puddles’!!

Thanks are due: to Alison Sloman for providing an up-to-date map, to the Little family for helping me put up the Carnopy at 5.15 pm following half an hour of torrential rainfall; Penny Hemsted for being the First Aider for the event; Mike B and John E for collecting in all the controls after the event; and to Peter L for as usual generally being helpful.
