Sorry for the misplacement of control 112. To be fair to everyone who found it, I've given John Embrey a 2-minute penalty.

Sorry also for the new, and more to the point, **closed**, gate on the Long long leg. I've omitted that leg from the total distance and times.

Many thanks to Ruth Lockley who put out all the Perry Hall controls and manned the Perry Hall start.

Many thanks also to Stuart Paul for hosting the event at Birchfield Harriers.

Thanks also to Holly O'Meara and Ian Gamlen for their help, and to COBOC for the equipment.

Finally, I must get SI Download installed on my laptop so that I don't have to keep typing all the splits into a blank spreadsheet!
