### **Comments from Organisers**

Due to a close family bereavement John asked me to take over the ‘on the day’ running of this event. I would like to say as a result of John’s superb organisation the task was easy. All the sites were taped clearly, the controls were bagged in order and all I had to do was follow his prescribed route. At the start all I had to do was turn on the timer. Marian took over administration of the novices from St. Augustines and the rest of the orienteers organised themselves. When everyone had returned successfully, Barry and the two Johns retrieved the kites and Barry took all the stuff away for his event at Hayhead and the Dingle on the 10<sup>th</sup> July.

Thanks to everyone who mucked in and helped.

Mike Baggott

I got a phone call at 8am the day of the event telling me my mother had sadly passed away. I rang up Mike who kindly agreed to take over the organisation of the event. By 10 am I had dropped off all the gear at Mike’s house and was up at Ellesmere in North Shropshire by midday. The event appeared to go really well so thanks for turning up and competing. It was nice to see nobody was out on their course for too long and that 6 youngsters from St. Augustines competed. Thanks once again Mike!!
