

Arrow Valley June 11th - Summer Saturday Series

Comments

Thank you all for coming, especially with the weather being a dreary as it was. I hope you all enjoyed the day. This was my first time planning proper courses, so I have learnt a lot for next time. There are 3 more events in our summer series (see website for details) and I hope to see you there.

Thank you to David Aldridge, Ashley Ford, Paul Hammond, Alan McKinley and Marian White for helping to collect in controls. Also thank you to Andy White for helping with download.
