Notes & EVO: Highgate Common is an SSSI of note especially for some rare invertebrates and ground nesting birds. Course has been planned to avoid sensitive areas.

You must clean your shoes prior to this event, to prevent spread of disease from area to area. This is also good practise in general.

Covid 19 You must not attend if you or a member of your family has Covid-19 symptoms, or if you have been asked to isolate by NHS Test and Trace. Please maintain social distancing while in the carpark and near to Start and Finish
