

Worcester Woods SEE 06/07/2023 Results Version 1

Comments

Thank you all for coming, we had a decent turnout of 39 people. There was some close racing, with only a few seconds between some positions. More people got all the controls than I was expecting, so expect a longer course next time :)

While checking people's printouts I noticed some controls had registered twice instead of once. So if you think I have given you one less than you thought, please double check your copy.

If you think I have made a mistake please email me at robthomasrose@icloud.com

Thank you to Robert Vickers for organising permissions and to the controls collectors; David Williams, Sammy Pritchard, Dave Aldridge, Ben Crone, Peter Langmaid and James Thomas.

I hope to see you at the next event which is Bringsty Common on the 17th August. See website for details.
