Organiser Comments:

This was a very enjoyable event to plan and organise. Hartlebury Common is delightful, the map (thanks, Brian) excellent, and the warden supportive. I had good weather for planning, beautiful weather for control-hanging and for the event, and a splendid turnout. The four brave souls who chose this as their first event on real orienteering terrain did particularly well they jumped in at the deep end, and didn't drown!

Many Thanks to Brian, Paul, Clive and Penny who helped to put up the tent, and to Barbara, David, Barry H, Peter, Kerstin, John E, John L, Mike D, Adrian, Chris E, Robert R and Robert V, who helped during the event and/or at the end.

And I get loads of WEE-points as well!
