It was good fun to put on the first WEE of the season. Very windy and cold and dark, i.e. perfect conditions for night orienteering.								
Thank you too the trusted team of control collectors: Andy H/Marian/Alex/Barry H/Andy J/John L –								
Also fun with the army runners turning up for a practice before Southern Night Champs on Quantock Hills. 28 runners in total, made it all worthwhile.								
you all made it possible to order food before 9pm at The Vine (brilliant pub!).								
See you on Thursday 8th December at Walsall airport, but before that it's the NSL in Wombourne on the 1 <sup>st</sup> December.
