Planner note: Thank you all for coming out to run in the dark. I am really sorry about the incidents but I am glad no one was hurt.

Thank you to all control collectors, it can't have been nice to head out again but you were all really fast which means we all got feed!

Next WEE event will be Dudmaston, materly planned by Barry Houghton on the 10 February 2022. Guaranteed to be a safe haven for night orienteering!!
