Dudmaston WEE 30 Nov 2023 - Results

Kerstin writes...

I love planning and running at Dudmaston and I hope you enjoyed running under the stars in freezing temperatures.

Maybe I over planned the course slightly, but you never know who is going to turn up on the night.

Thank you to all control collectors, your swift work meant that we all could pile into the pub and get some warm food.

See you at Eymore on the 14 December!

David writes...

There are two pits alongside the cycle path from control 19 to control 21, ~60m apart. Those who followed the path will have found the kite in the first pit encountered. Those who struck out across country will not have found the control at the indicated location - the second pit. Three competitors have indicated that they sought 21 and found the southwestern pit sans kite. Splits and tracks support this. These runners have been credited with the control. No time allowance has been made (this would not have made any difference to position or league points).
