Comments

Thank you all for coming. I hope you all enjoyed the course, even in the tough wet and muddy conditions.

Well done to the winners, Mandy Mackereth being highest scoring woman and to Rhys Manning, who managed to clear all the controls with time to spare.

I apologise for not organising a pub, but all the local pubs did not serve for late enough for us.

Thank you to Brian Hughes for mapping the area. Also thank you to the controls collectors; Rhys Manning, Ian Gamblen, James Thomas, Peter Langmaid, Mandy Mackereth, Kerstin Mitchell, Eloise Lee and George Dibble.

This was the final WEE of the season, however there are still lots of Nights Street league events to come. See website for details.
