Winter Evening Event 28/11/2024 Results

Comments

Thank you all for coming. I hope you all enjoyed the course. I am sorry for such muddy walk to the start. Due to the required car park change there wasn't a better option.

Well done the Rhys Manning for completing the whole course in such a quick time and Mandy for winning the women's field. I good effort by Dwaine on his first night orienteering event. Hopefully he will be back for more.

The next Night Street League event is the rescheduled Rubbery Event on the 5th Dec and the Next Winter Evening event is on Longdon area of the Wire Forest on the 12th. See website for details.
