Yvette Baker Qualifier Juniors competing in the YB Qualifier (Trophy and Shield) must be registered members of British Orienteering and should enter the Yellow, Orange, Light Green or Green courses according to their age, and avoid 'running down' if they have previous success at Major events (please refer to the YB rules for details) :
<https://www.britishorienteering.org.uk/yvettebaker>

Talk to your club's Junior Coordinator in case they would like you to enter a particular course.

To enter the competition, enter the relevant course containing a YB prefix, e.g. YB Green. Your result will only score if you have provided correct details, including your British Orienteering number, during pre-entry. It is your responsibility to check your personal details when you enter. We will be unable to make backdated adjustments after your run.

YBT competitors from the same club, on the same course, must start at least four minutes apart, so please behave fairly and make the Start helpers aware if this applies to you.

Runners may pair up on the Yellow course, if they meet the criteria outlined in the rules and stay together throughout.

Safety: Competitors take part at their own risk. Whistles must be carried and will be checked. **NO WHISTLE - NO GO.** Full leg cover recommended. In case of bad weather competitors may be required to wear a hooded waterproof. Notices will be displayed in the car parking area and registration if so.

The ground at Arrow Valley is quite hard to hammer in pegs. Clubs proposing to bring tents should ensure that they bring along means to weight them down.

Please be aware of other activities around the N of the lake, including people fishing and possible use of the disc golf area. Slow moving geese may also be being fed near the lake. Please be aware of other users and your surroundings at all times.

First Aid is located close to the Finish.

Other users may include horse riders, cyclists and dog walkers.

In the event of heavy snow or strong winds prior to the event, please check the Harlequins or WMOA site at www.wmoa.org.uk before you travel. If there is nothing regarding cancellation, the event is ON.

YOU MUST VISIT DOWNLOAD EVEN IF YOU RETIRE
