

WNL Results - Worcestershire Beacon - 29 January 2022

Thank you to all those who attended the WNL yesterday - a good turn out and lovely clear evening with a bit of a wind on the summit. Some great performances - well done, hope the course enabled you to manage the amount of climb you completed! Apologies for the confusion around control 22 - I've credited those who found the tape but if I've missed anyone please let me know.

Thank you to my wife and mum for helping out on the evening.

Rhys Manning
